

## 2010 SEMINARS

---

**Seminars are held at the Club House,  
Wednesdays, 9:30 – 10:30 a.m.**

**MAY 5 Chatham Harbormaster**

The Harbormaster will cover the current status of inlets, and the harbor and mooring arrangements. There will be a Q&A session.

**MAY 19 Basic Weather From a Boater's Perspective**

Confused about what those clouds mean? Wondering if the weather's going to clear in time to take the family boating? Kent Bonney will share his years of experience navigating the skies and seas to help you be a better judge of the weather.

**MAY 26: Knots and Line Handling for Small Boats**

Not sure that line is cleated right or that the anchor is secure? At this hands-on workshop, Jeff Hahner will teach you the knots you need to know, and how to handle your lines correctly when docking and tying up with other boats. This workshop is especially suitable for first mates.

Suggestions for seminar topics are most welcome. Please e-mail to Kent Mitchel: [bearcamp@cyberpine.net](mailto:bearcamp@cyberpine.net)
